24/10/2018

Dear Mr Murley, staff and pupils,

I hope this letter finds you all well and rested from your break.

It was such a nice surprise to receive your letter earlier this month containing the wonderful funds totalling £290.05 that you raised. Thank you for choosing us to benefit from your fundraising.

We sincerely do appreciate your support in this special way, it really does make a difference to everyone who uses our services at Chestnut Tree House and enables us, amongst other things, to provide fun activities for the children when they come and visit.

It costs us about £230 for a child to visit the house for the day for a "Stay and Play" session. They will be able to enjoy our facilities and a range of activities whilst giving mum and dad a break from the daily care.

This can include a private swim with their family in our very special hydrotherapy pool, making special memories. We also have a multi-sensory room with therapeutic visual lighting, a fully equipped music room, a computer room with touch screens, a cinema room and magic carpet room with interactive games.

We also have a couple of activity leaders based at the house who come up with various opportunities for the children and ideas to encourage play. They keep a note of special days and events to inspire ideas for activities.

This year we celebrated several days including Squirrel Appreciation Day and National Hug Day. The best of all though is Bubble Wrap Appreciation Day! Believe it or not there really is a day dedicated to this, and you can imagine just how much fun we will have popping all the bubbles.

And, we wouldn't be able to offer our services for free, if it wasn't for people like you choosing to support us and sending us essential monies enabling us to cover our costs.

Thank you and kind regards,

Caroline Roberts-Quigley
