

CHILDREN USING AN INHALER

Dear Parent/Carer

We keep a register in school of children suffering from asthma or using an inhaler for other reasons, and would like you to complete the following form for us.

If your child needs an inhaler, they must have one for home and one for use in school. Their name must be clearly labelled on the inhaler itself as well as being in the box with the dispensary label on it.

Inhalers are kept nearby the child at all times and the older children are encouraged to take responsibility for their own.

Child's name		Date of birth	
Child's Class			

My child suffers from asthma and (please tick the following)

- Requires an inhaler in school, and I need to complete the administration form (available from the office)
- DOSE NOT require an inhaler in school
