Reception Gate

Please be aware that from September the gate at the very front of the school will be used by our Reception children only. This has always been the case prior to Covid.

Starting school is a daunting time and having an entrance and exit that is calm and dedicated to your year group, in order to meet your teacher each morning, is the best way to start school for our youngest pupils.

Year 1 families can enter the Reception playground for pick up and drops off, but must use alternative gates.

Promoting healthy technology use.

Parent Guidelines:

- **Talking to your child.** Explain why you are setting parental controls; to keep them safe. But also let them know that they can talk to you to discuss why certain settings are in place.
- **Set good, strong passwords where you are able.** On some parental controls you can set a password which prevents settings and features from being changed.
- **Age is a significant factor;** as children get older, restrictions and controls you use will change, but only at a pace that is appropriate for your child, not pressure from your child, “because everyone else is allowed”.
- **Content filters are never 100% effective.** It is likely at some point that your child will see inappropriate or upsetting content and it is important that you are able to talk to them about this.
- **Protect bedtime.** Studies show that using digital media at night can interfere with sleep quality. Restrict the use of phones, tablets and computers for at least 30 minutes before bed. Make time to read together.

Effort Grade Reports

- Every half term your child will be sent home with an effort grade for - Reading, writing, maths and the general curriculum.
- This will be decided by their class teacher and records will be kept to monitor progress.

Home School Agreement

What is a Home-School Agreement?

A Home-School Agreement is a statement explaining:

- the school's aims
- the school's responsibilities towards its pupils
- the responsibility of each pupil's parents
- what the school expects of its pupils.

This is a simple agreement between the school, pupil and parent which outlines effective ways in which we can agree to work together to foster and maintain respectful and proactive relationships as your child moves through school.

- **Handout to read and share with your child at home.**
- **ParentMail Form to complete**
