

Standards at New Horizons Seaside Primary 2023 - 2024

Early Years

Our EYFS judgements were last moderated by the Local Authority in 2017. The moderator noted the following: “All three practitioners evidenced consistently accurate judgements for all five profiles discussed and moderated. Evidence from practitioner knowledge and observations/journals was plentiful and matched exemplification descriptions. A broad range of evidence was collected from inside and out by all stakeholders and was collated and moderated. Effective systems are in place to ensure flow of information between home and school.”
